

TABS II Plus Rain Screen

TYPICAL WALL DETAIL

Disclaimer of Liability

Tabs Wall Systems has made every effort to help & provide accurate and complete information in regard to building a project with the best water resistant installation information and material available. However, with the many different type windows & water resistant barriers (materials & installation methods), Tabs Wall Systems always recommend checking first with these manufacturers & their recommended installation methods prior installation with our products. As for Tabs Steel Panels, Adhesive, Modified Mortar, Polymer Additive, & Rain Screen, we do offer (when properly installed per Tabs Wall Systems Installation & Application Guide) a full twenty year system warranty (See Tabs Twenty Year Warranty).

All products private labeled & offered by Tabs Wall Systems other then the components mentioned above offer an additional warranty, including their own installation & application guides. These installation & application guides should be reviewed prior use. The Tabs private labeled manufacturers & products we offer are; Greenguard (RainDrop, Classic Wrap, Super Stretch Tape, Flashing Tape & Construction Tape) www.pactivpartners.pactiv.com. Masonry Technology Inc. (Sure Cavity) www.masonrytechnology.com.
